Class C Airspace Instructions

Short Form

Glider Access Instructions to Class C Airspace, Temporary Reserved Areas (Gliding) – TRA (G)

Gliders operating out of Aboyne may access Class C Airspace by complying with the following Instructions.

[Letter of Agreement (pages relevant to pilots only) is attached with coordinates of TRA boxes and maps.]

There are 5 TRAs.

- | | |
|---------------------------------|---------------------------------|
| (1) Scottish Upper Area (North) | (3) Scottish Lower Area (North) |
| (5) Aboyne Area | |
| (2) Scottish Upper Area (South) | (4) Scottish Lower Area (South) |

General Procedure

- Operations conducted under Visual Flight Rules (VFR)
- FL240 and below glider pilots shall monitor frequency 130.1
- FL240 and below, ATC may provide a FIS. Contact 124.5
- Above FL240, Military will provide a FIS.
- Gliders may be required to vacate TRAs in, e.g. emergencies. Advice will be communicated by tel. call to the Club or by radio by the military.

- Weekends and English Public Holidays only – Contact Scottish Civil Supervisor to activate.
- In the event that **Upper Air Space** is required to close, the Military Supervisor will advise gliders on the gliding frequency to vacate the area.
- In the event that **Lower Air Space** is required to close, The Civil Supervisor will contact effected clubs by phone and through relayed messages on the gliding frequency.
- If more than one Scottish Club activates an area, Scottish and the Military will co-ordinate the requests and shall promulgate the activity from the earliest activation to the latest de-activation request.
- Availability and time frame to activate will be advised by the Scottish ATC, Civil Supervisor.

Please refer to “ Letter of Agreement, Airspace Sharing” for complete details.
