

DEESIDE GLIDING CLUB COMMUNITY VOLUNTEER SCHEME

Become involved in a growing, friendly, exciting, local club.

Deeside Gliding Club is world famous and has operated at Aboyne Airfield for more than 50 years. We attract visitors from all over the world for our exceptional gliding conditions and are pleased this has also benefitted the wider community.

We would now like to reach out and strengthen the involvement of our local community and are offering free membership and free tea/coffee to any local people willing to volunteer at least two days per month during the summer season.

We have members of all ages, from all walks of life, some are active glider pilots and some are just interested in helping out and being part of a group of enthusiasts with a common interest.

As a non-profit club, we rely on their wealth of skills & experience to carry out the myriad of activities required for gliding operations such as: launching & retrieving gliders, log-keeping, welcoming visitors, grass-cutting, airfield/ aircraft/ clubhouse maintenance, office administration, book-keeping etc etc.

If you have time on your hands, perhaps retired or working part time and would like to meet new friends and become involved with the club please contact us for further details.

Great clubhouse facilities & full training & help will be provided!
